Shurgard obtains a building permit for a self-storage property in Amsterdam region

LUXEMBOURG – Shurgard, the largest developer, owner and operator of self-storage centers in Europe – has received a building permit for a new storage facility in Diemen Visseringweg (Amsterdam region, Randstad, the Netherlands).

The new c.4,000 sqm building will offer over 550 self-storage units to the nearby residential areas and business customers. It is set to open in the first half of 2023.

Shurgard has another three properties in its organic development pipeline in the Netherlands – with two openings expected in 2022 and the other one in 2023.

After the successful completion of these four projects, Shurgard will be offering self storage in 66 properties in the Netherlands, reinforcing its number-one position in the country.
