Press release

FINDELBANK (WWW.FINDELBANK.COM)

The Financial Services and Markets Authority (FSMA) is warning the public about the activities of Findelbank, which irregularly offers financial services and credit in Belgium.

Findelbank is falsely using an existing Belgian address to offer financial services and credit to consumers.

Moreover, Findelbank is not licensed to offer financial services and products and credit in Belgium. For all these reasons, the FSMA therefore advises against accepting offers from Findelbank. More information on investment and credit fraud can be found on the FSMA's website.

Would you like to enquire more generally as to whether a transaction being proposed complies with the financial legislation? Please use the [search function](#) on the FSMA website. You can also contact the FSMA directly via the [consumer contact form](#).
