The Independent Supervisor retains the right to change the published selection, for instance in the case of a removal due to a takeover, until the publication of the final data after close of Wednesday 19 June 2024.

All events happening after that date will not lead to a replacement of the selected company that possibly needs to be removed from the final selection.

### **Changes to the BEL 20 minimum Free Float Velocity criteria applied in June 2024 review**

A consultation took place in January and February 2024 on the Free Float Velocity criteria applicable for the BEL 20 Index. As a result of the consultation, Euronext has lowered the Free Float Velocity threshold for current constituents to remain eligible for index inclusion from 25% to 15%. For companies currently not included in the BEL 20 Index, the Free Float Velocity threshold is lowered from 35% to 25%. No changes are made to the Free Float Velocity thresholds of the BEL Mid and BEL Small Indices. These changes have been applied for the June 2024 quarterly review.

### **Review BEL® Family**

The BEL 20®, BEL Mid®, BEL Small® and BEL® ESG are reviewed quarterly (March, June, September, December). The full annual review is in March.

**Next Index Steering Committee Review:** Wednesday 11 September 2024.
