The compiler of the indices retains the right to change the published selection above in connection with any mergers, takeovers, suspension or resumption of trading during the period before the effective date of the annual review.

Review CAC family

The CAC family is reviewed quarterly (March, June, September, December). The full annual review is in September. These revisions serve to include new entrants in case the index consists of less than the standard number of constituents and to facilitate inclusion of highly ranked non-constituents, for example recently listed companies.
