## **MDxHealth Launches Equity Placement**

**IRVINE, CA, and HERSTAL, BELGIUM** – November 2, 2016 – **MDxHealth SA** (Euronext Brussels: MDXH), announced today that it has launched an equity offering to raise an amount of approximately EUR 15 million by means of a private placement of new shares, with the possibility to increase the size of the placement to up to 4,526,962 new shares in total (representing close to 10% of the company's outstanding shares).

Degroof Petercam is acting as Sole Lead Manager and Bookrunner for the private placement, which will be structured as an accelerated bookbuilding. The bookbuilding procedure will commence immediately and is expected to close on November 2, 2016, subject to acceleration or extension of the timetable.

The net proceeds of the placement of the new shares will be used mainly to support and scale-up the Company's U.S.-based managed care and related healthcare reimbursement efforts, the sales and marketing efforts in the U.S. for ConfirmMDx and SelectMDx, and the sales and marketing and related commercialization efforts in Europe and the rest of the world for SelectMDx. In addition, depending on the amount raised, the net proceeds would be used to accelerate the product development of the AssureMDx bladder cancer test, and for general corporate purposes.

Trading in MDxHealth shares on Euronext Brussels will be suspended throughout the bookbuilding period. Trading in the stock is expected to resume following the publication of the results of the placement.

The company will announce the results of the placement as soon as possible after closing of the bookbuilding in a subsequent press release.
